## Real Estate License Change

Go to <https://secure.dre.ca.gov/elicensing/>

Register, if you haven't done so already, or sign in

Choose "Change Employer"

Choose "Yes"

Enter Employer License Number: 01789136

This will release your license for us to register as your employer.

Let me know as soon as this is done.

Please remember that we need your original license when you receive it and before your first commission can be paid.

Thank you,

Dana Montalvo
